CONOCOCHIEAGUE DEDICATED TO MR. GEORGE FREY

To the class of 1985, Mr. George Frey has been a great teacher but most of all a friend who has been there for us. Mr. Frey is concerned about how we feel and tries to improve our classes by making psychology a really fun and interesting subject. No one ever walked out of Mr. Frey's class "in a plateau."

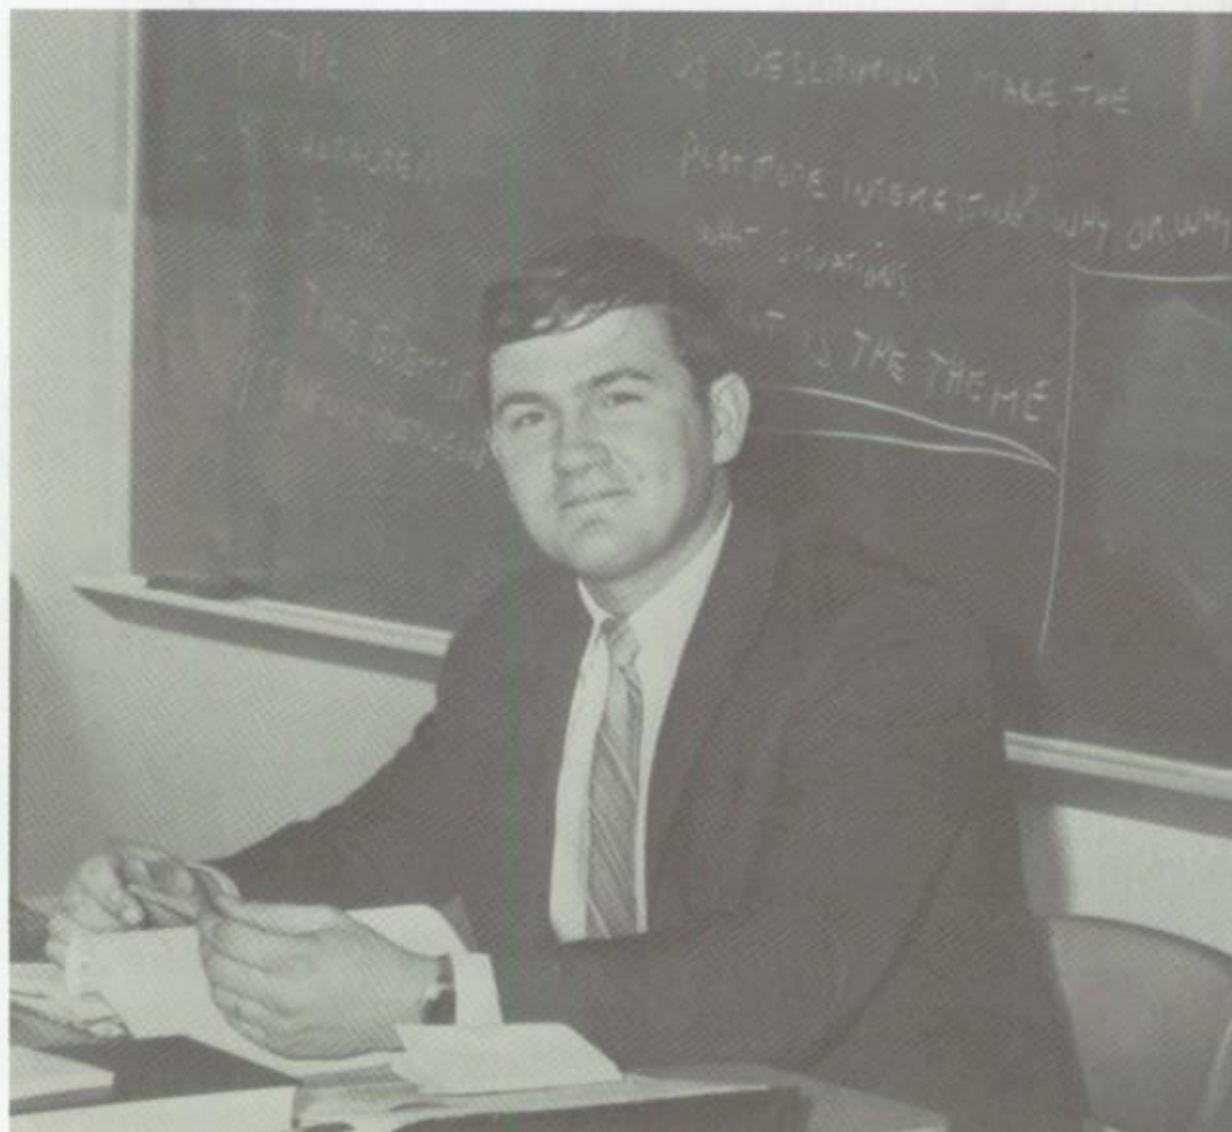

Greencastle has been lucky enough to have Mr. Frey for the past seventeen years. He has made psychology a favorite class among the seniors, not only this year but also in years past.

If you ever need help on a research or thesis paper, just look up Mr. Frey; he will personally escort you to the library and help you search for information.

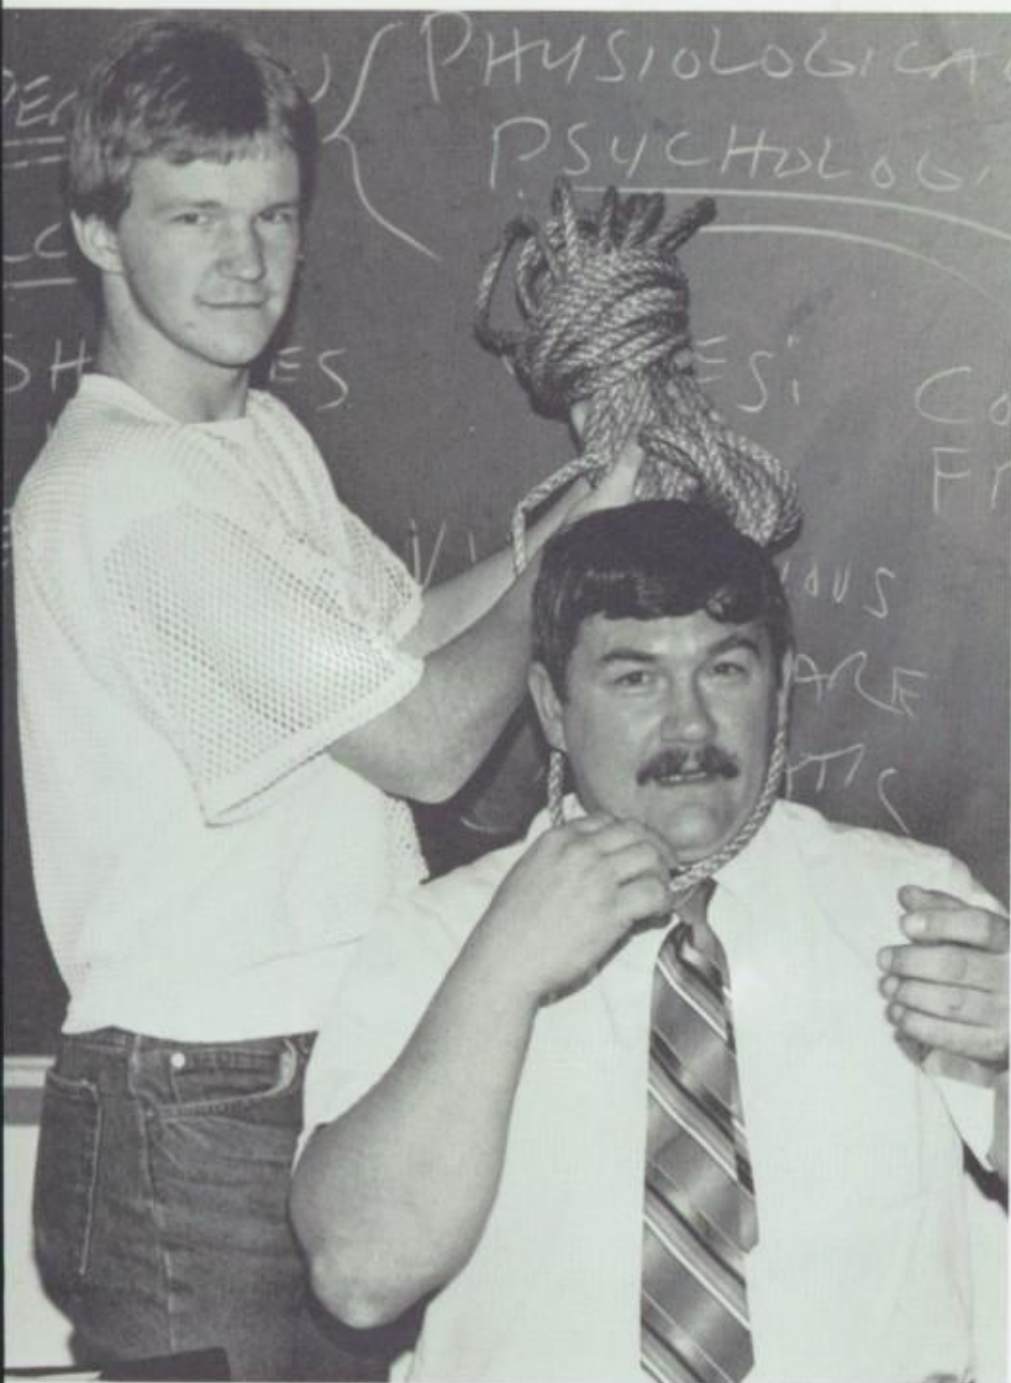

Mr. Frey, we The Senior Class of "85", dedicate to you our 1985 Conococheague.

Staff photo 1984

Staff photo 1970

After having psychology for a semester, students may develop symptoms of stress and tension which manifest themselves in strange and bazaarre forms of behavior (left). Mr. Frey's prescribed remedy for these peculiar student behaviors is patience, understanding, and a batch of Christmas cookies.

FRIENDSHIP

As you begin paging through the 1985 yearbook, you will notice that many of the pictures are centered on friends. This is because we feel friendship is a very important part of high school, and that is why Friendship was chosen to be the theme of the 1985 Conococheague.

Take the time to think of the most memorable times you and your friends have had during high school. We've had a lot of good times along with some bad times and happy along with the sad, but they're all a part of friendship and the reasons we've grown close to each other over the years. We made it through those weight-lifting classes in gym, those dissecting classes in biology, and the speeches in English... with friends.

After we are out of school, we may not see many of the people we are around everyday. We hope many of the pictures we've chosen for the 1985 Conococheague will help you remember your friends and good times at GAHS throughout the years to come.

Christy Gano

Friendship makes good times special. Remembering our friends in high school will help to keep alive the memories of our good times at GAHS.

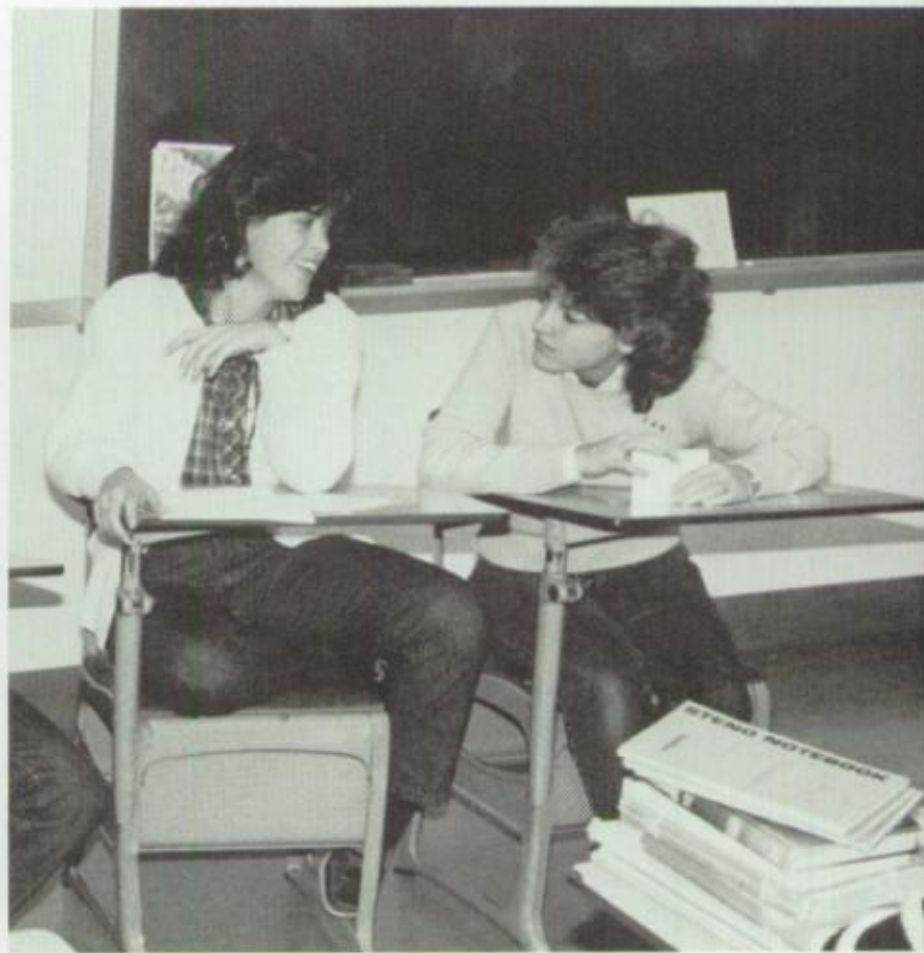

SENIOR FRIENDS

For every senior, friends have been an important part of the years spent at GAHS. Friends have been able to make school fun and exciting for each other. They've pulled each other through when the going got tough, and made the good times even better.

After graduation, many of the friendships will go on with many new and exciting things to share and lots of "good ol' times" and special people at GAHS to remember.

Special friends and times to remember: The Clod Squad (above) will long be remembered as every teacher's nightmare. Lori Yeager and Joanne Courtney (right) share a special time at Homecoming. The halls and the classrooms (below) were often places to meet for a special chat or a good time with friends.

SENIORS, "Cheeeeeese" Please

POSING FOR PORTRAITS

Senior pictures are a big part of the beginning of the senior year. We Seniors worry about them so much that we get all nervous over nothing. The photographers do all the work and all we do is say "cheese".

Cheryl Bowman (top left) signs in to get ready for her biggest smile yet, while Kim Lowe (middle) explains the packages you may purchase. Wayne Nocton (left) is getting his make-up applied, which is the last preparation before the pictures are finally snapped. Mike Mitchell (above) is showing how to smile in style.

FRIENDSHIP

Keep in mind your closest friend
As you read this poem through
And maybe you will see how much
That this friend means to you . . .

A special friend is someone
With whom you can share
All trials and tribulations
Because you know they care.

It's in this friend that you confide
The secrets that you keep,
And on their shoulder that you cry
When over trials of life you weep.

It's for this friend that you'd be humble
Admitting defeat graciously,
And on this friend you could depend
To treat you respectfully.

I'm hoping you will understand
Those things these words can't show.
This special friend means more to you
Than you will ever know.

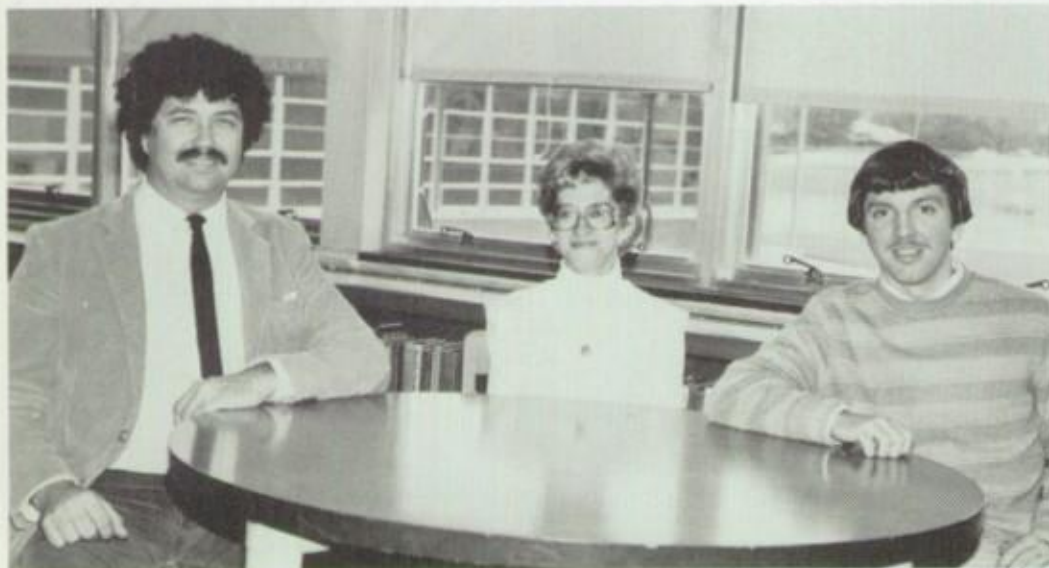

. . . Now that we are Seniors
These friendships do not end.
But continue on throughout our life.
Good luck to you, My friends.

"I'm so confused."

"I sure am hungry"

"It's the latest from Paris."

"I just washed my hair and I can't do a thing with it."

"Oops! I think I forgot something."

"Can I keep it mom, please."

"What is this stuff"

"It's definitely not what I expected."

Eenie, meenie, minie, mo.

Little smokies, again!

"You're too young to drink."

"I can't believe I flu another P.O.D. test."

Peek-a-boo!

Raise your hand if your sure!

"I think he loves me."

"Did you hear the one about . . . ?"

"I'm gonna love him hug him and kiss him squeeze him."

"Who stole my sleigh?"

"I won't be home late, Mom. I promise!"

"Okay. Where are the presents?"

"Ha! Ha! I sank your battleship."

"What are you talking about, Mrs. Baer?"

"I didn't do it, honest!"

"Is this the best you can do?"

"All aboard!"

"Could this be the next Miss America?"

"This is how Mr. B does it!"

"What is she up to?"

"It's mine and I'm going to eat it."

"I don't see the birdie."

"I can't believe we're finally seniors."

"It's a bird, it's a plane, no it's superman."

"I've got it!"

"I'll do the dishes, Mom."

"What are you looking at?"

"It was love at first sight."

"I dare you to try that again!"

"SEE YA AT LUNCH"

In many ways, lunchtime is an important part of everyone's day. It gives the students a break between classes with time to eat and time to spend with their friends.

CAFETERIA STAFF

Everyday the ladies in the cafeteria have a hot lunch ready for us during 5th period. They work hard to have good meals ready to serve on time to the hungry students. We thank these ladies for their good work. (Seated) Gladys Bear, Helen Seburn, Betty Henry, Grace Gearhart. (Standing) Betty Walter, Sharon Hykes, Caroline Myers, Helen Hager, Sherri Brechbiel.

ACADEMICS

SCIENCE PROJECTS KEEP STUDENTS BUSY

Earth science, biology, chemistry, and physics are among the science classes offered at GAHS. Science students are also involved with projects and preparations for the annual science fair each year. The testing of well water from the Greencastle area (left) is a special project which helps the community as students learn to gather, record, and analyze scientific data.

Mrs. Gordon - Science

Mr. Jan M. Green - Science

Miss Sharon Heffner - English

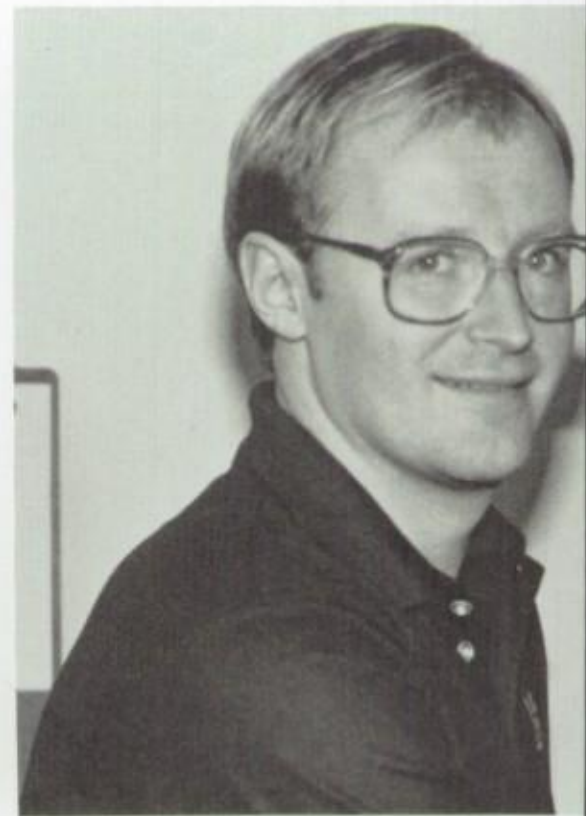

AMERICAN EDUCATION WEEK

Mr. C. Gregory Hoover - Health / Physical Education

Mr. William Hough - Industrial Arts

Mr. Michael Hussack - English

OPEN HOUSE '84

At the annual Open House, held this year on November 8, parents had an opportunity to go to school. While they followed a student's shortened schedule, the parents had the chance to walk the halls, talk to teachers and administrators, and see all the exciting things happening in our classrooms.

Mrs. Julie Kline - Learning Resources

Mrs. Barbara Kolanowski - Science

Mr. Sean Kolanowski - Math

GUIDANCE

Information on schools and careers is provided by the guidance department all through the year. The counselors answer questions and provide student interviews with military recruiters and college representatives. Helen Bennett (right) discusses a military career with U.S. Army SSg Robert Warrington.

Mr. Carl Lutz - Driver's Education

Miss Gretel Malkin - Home Economics

Mrs. Judith Maxwell - Latin

Mr. LeRoy D. McCrae - Business Education

Mrs. Bonnie Mearkle - Business Education

Mrs. Mary Lynn Merkle - Special Education

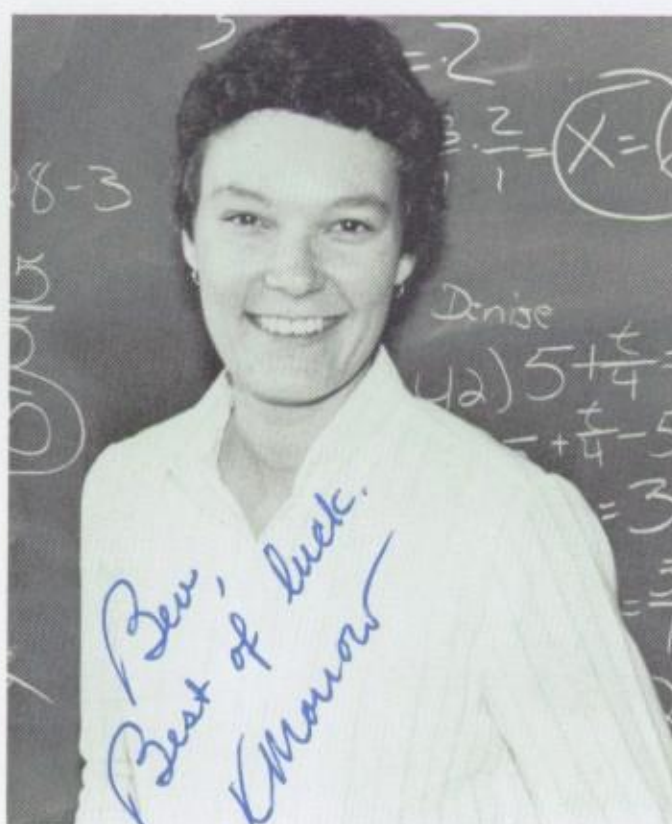

CAREER DAY

The annual Career Day sponsored by the Student Council gives juniors and seniors an opportunity to talk to GAHS alumni about life after high school.

Mr. Ronald Monn - Math / Science

Miss Kimberly Morrow - Math

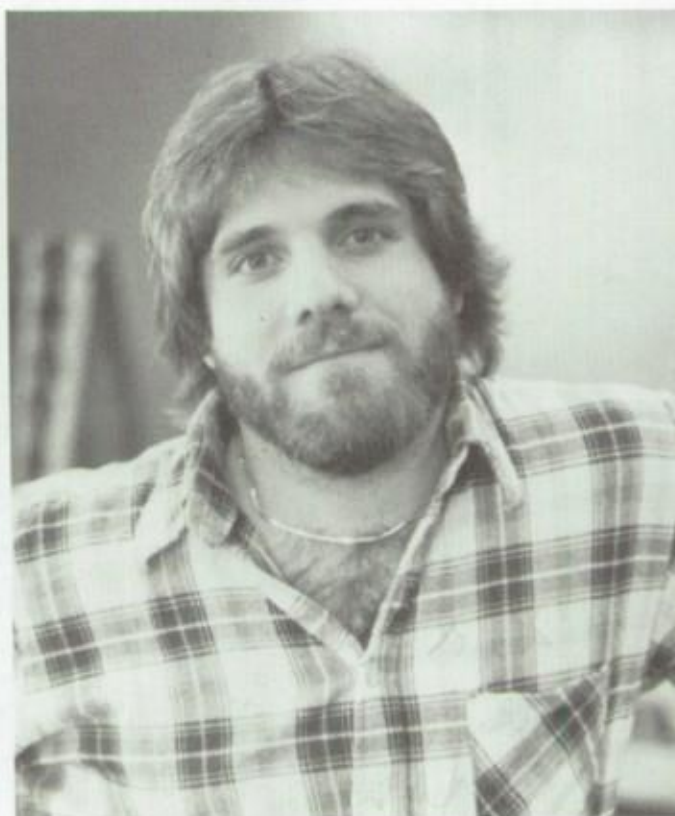

Mr. Delbert Myers - Health / Driver's Ed / Physical Education

RESEARCH FOR NINTH GRADE

A new library program introduces 9th grade students to the basic research tools they will need to gather information for research papers during high school. The ninth grade social studies teachers assign a topic. The librarian teaches students to find the information. The English teachers show them how to write a paper with the information they found in the library on their assigned topic.

Mrs. Verna Pile - Social Studies

Mr. George Pyle - Industrial Arts

Mr. Tom Reeve - Industrial Arts

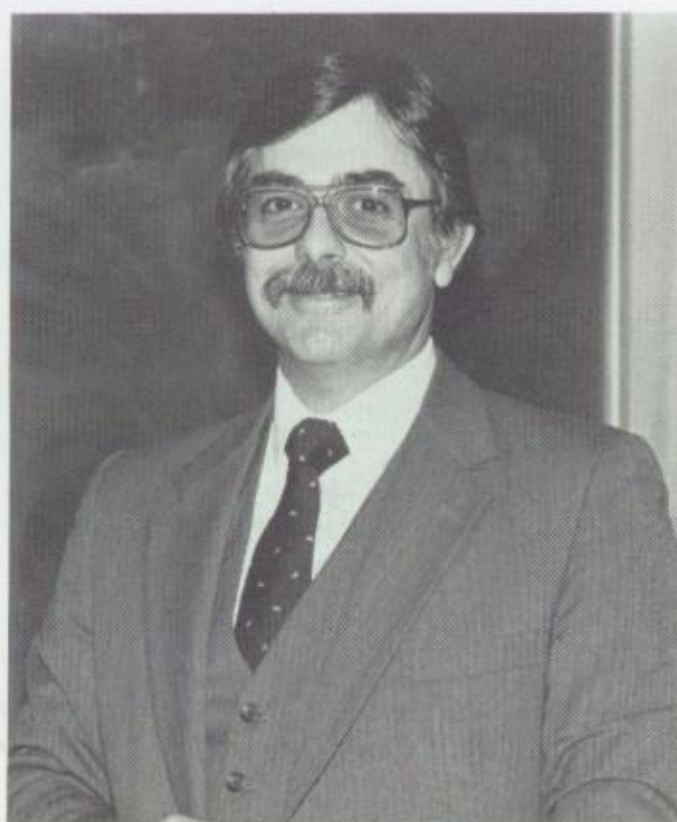

ADDITIONS TO LIBRARY HELP STUDENTS & TEACHERS

In the library this year, many changes have been taking place. In addition to the 9th grade research program, microfiche and microfiche readers (top) have made many magazine articles available to students working on papers, and computers, printers, and a test correcting machine (left) have helped teachers with many time consuming tasks.

Mrs. Sharon Reinwald - English

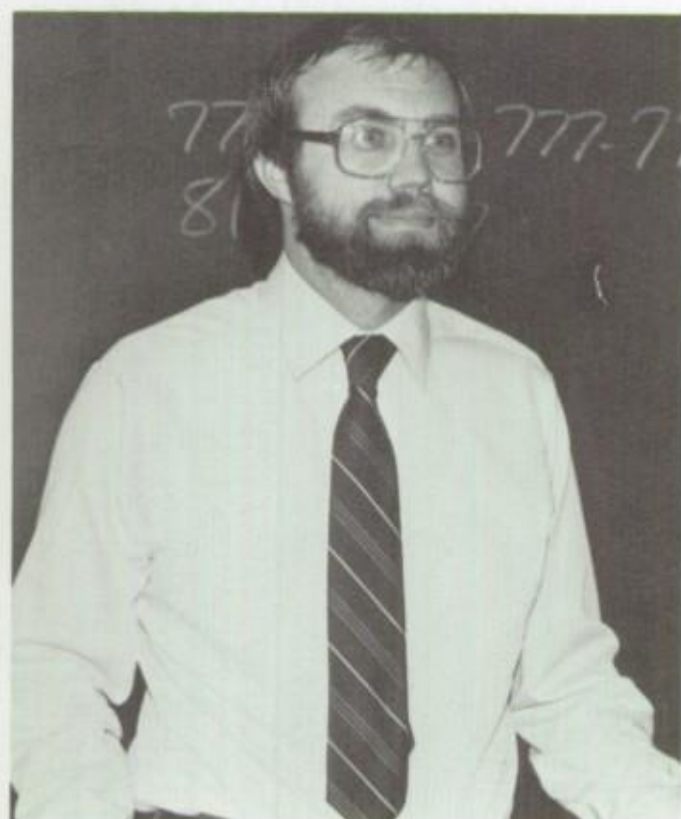

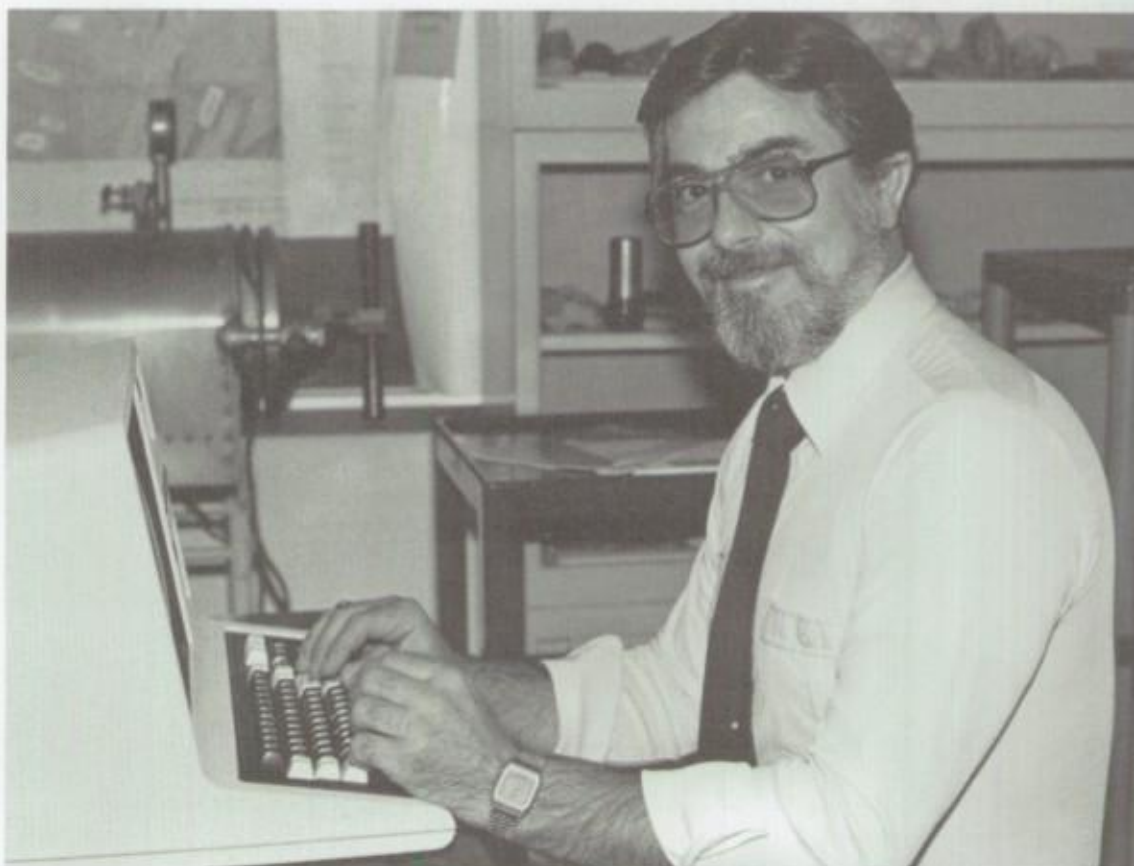

Mr. John W. Ressler - Science

Mr. John Rishel - Social Studies

COMPUTERS GAINING POPULARITY AT GAHS

The computer is fast becoming popular among teachers. While many teachers have discovered its time saving benefits in record keeping, others have also saved time using the computer to prepare schedules, tests, and student worksheets.

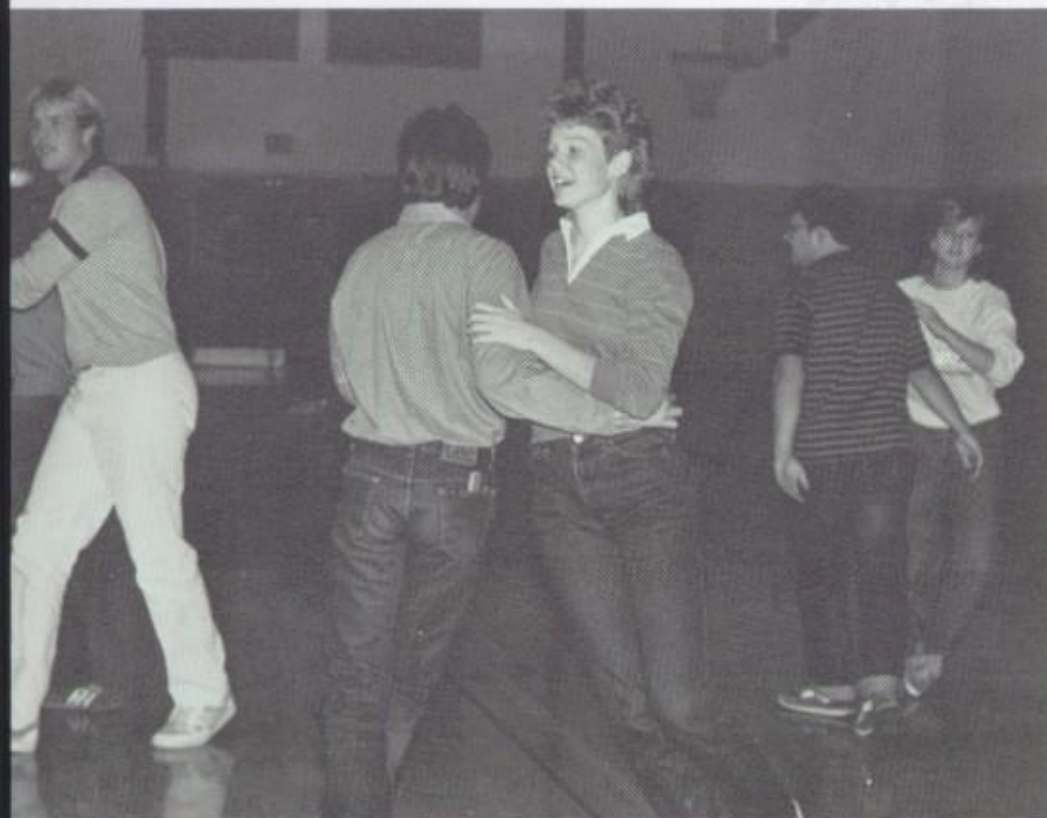

Mr. John Sanders - English

Mr. Levi Smelser, Jr. - Social Studies

Mr. Tom Shuey - Industrial Arts

HEALTH & PHYS ED ACTIVITIES ARE FUN AND MEANINGFUL

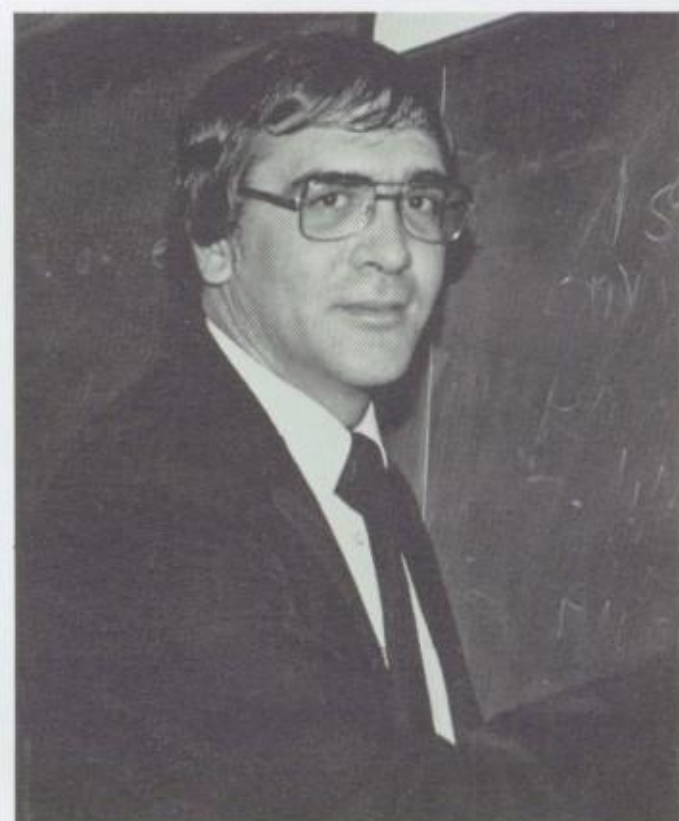

Among the many activities students become involved with in physical education and health are square dancing (left) and classes in CPR (below).

Ms. Anne Smith - Librarian

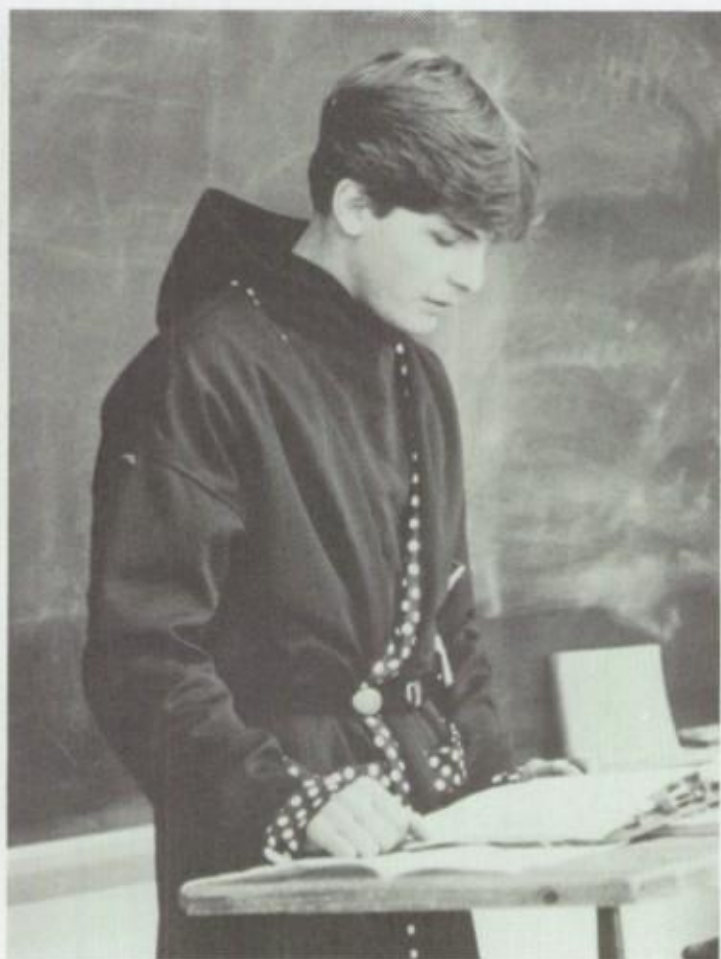

Mrs. Greta Smith - School Nurse

Mr. Donald Snare - Social Studies

THE CANTERBURY TALES

Chaucer is becoming increasingly popular in room 101 as seniors step back into history to tell the tales of the medieval characters in *The Canterbury Tales*.

Miss Bonnie Statler - Physical Education

Mr. James H. Thomas - Health / Physical Education

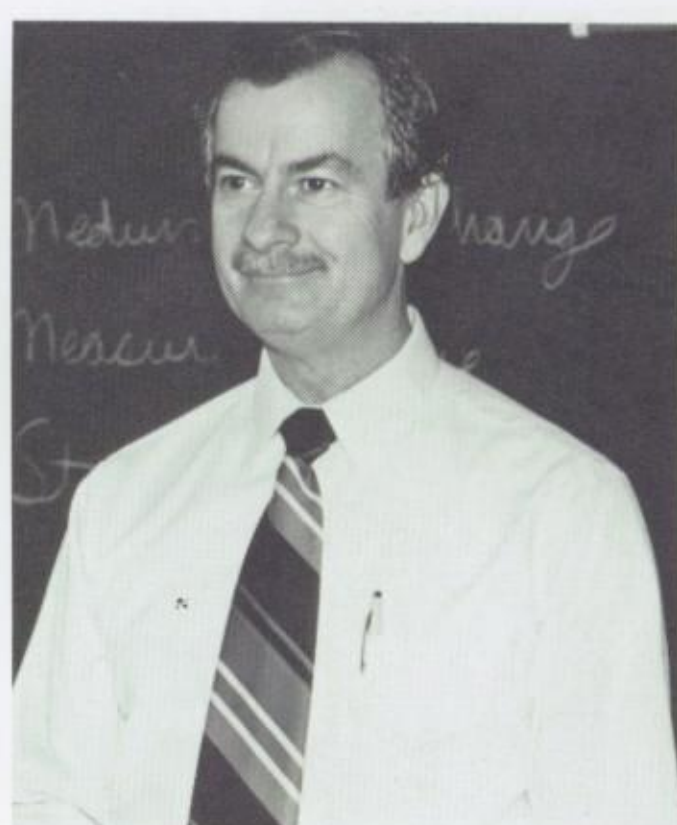

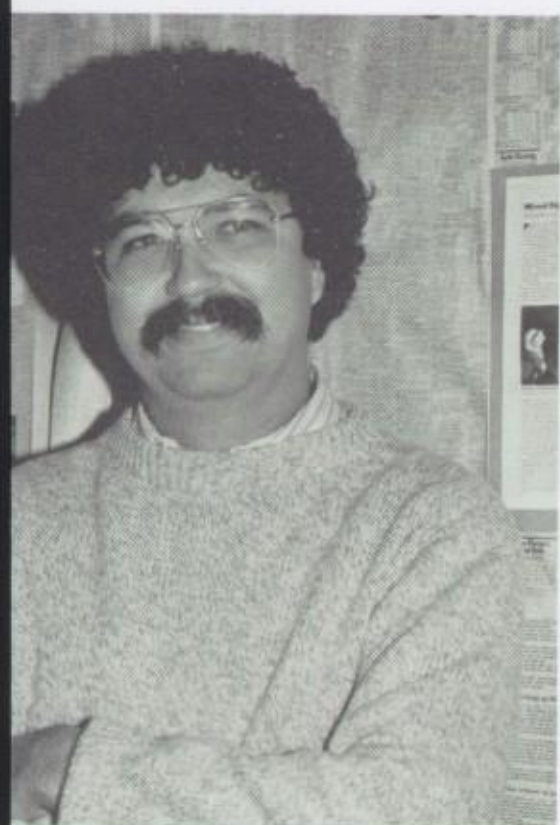

Mrs. Joanne G. Thomas - Home Economics

THE PARDONER'S TALE

Greed drives three friends to kill each other after finding gold in *The Pardoner's Tale*. As a class project during their study of *The Canterbury Tales*, six seniors produced a play to tell this gruesome story.

The play was well done and enjoyed by all, including the players, Grant Starkey, Duane Wolff, Steve Keller, LaMar Schroyer, Derek Jones, and Brian Binkley.

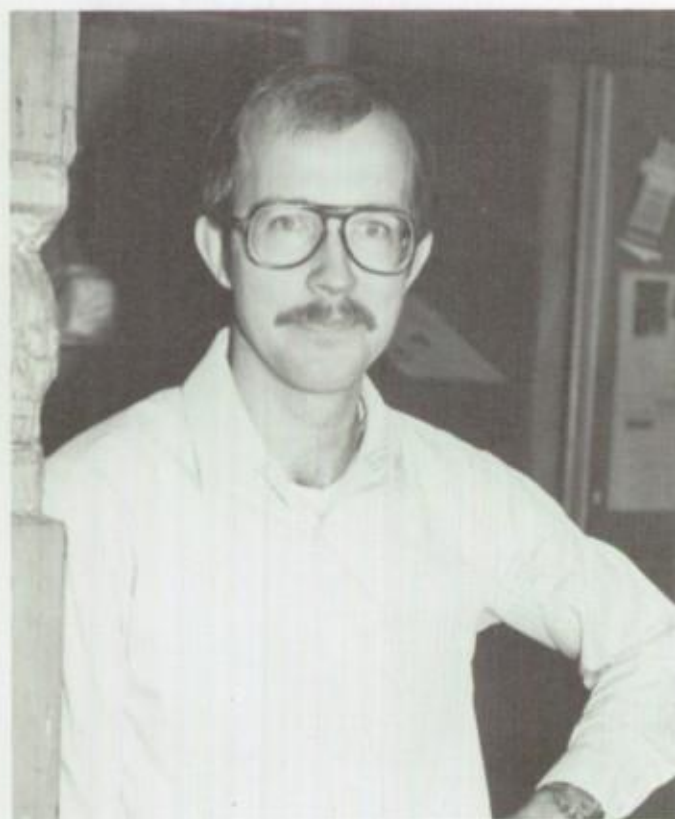

Mr. Kevin Traynor - Social Studies

Mrs. Ena Verdier - Physical Education

Mr. Donald Weller - Business Education

ART ACTIVITIES IMPROVE SCHOOL ENVIRONMENT

Many of the art activities in the high school help to make the school attractive at special times during the year. This year the students worked hard making stained glass window drawings for the school and the environmental center at Christmas.

Mr. Jim Wertner - Art

Mr. Charles White - Environmental Center

Mrs. Cheryl Winger - English

BUSINESS EDUCATION

Classes in business education give students an opportunity to learn and practice many skills. Lessons in such areas as budgeting, advertising, and money management help students gain a better understanding of the business world, while office practice develops skills in such activities as typing, bookkeeping, and word processing.

Mrs. Linda Wolfe - Guidance

Mr. Joe Zoeller - Social Studies

HOME EC

Students in home economics classes are given the opportunity to learn about cooking, sewing, and entertaining guests, in addition to their more serious lessons on home management, budgeting, and family responsibilities. At Christmas the senior students have an opportunity to practice what they have learned as they plan and prepare a tea for their parents and teachers.

INDUSTRIAL ARTS

The Industrial Arts Department at GAHS offers classes in metal shop, woodshop, graphic arts, and drafting. These classes teach students how to operate equipment properly and safely as they learn to build and assemble their projects. Students enrolled in these classes will spend many hours working on projects for the annual Science and Industrial Arts Fair.

VO-TECH

Many GAHS students are enrolled at the Franklin County Vo-Tech School where they have the opportunity to learn and practice skills needed in many jobs. At the school, Amy McCleary practices cosmetology (upper right), Dave Barnhart repairs appliances and Angel Myers learns drafting (above). During the ninth grade tour of the Vo-Tech school (right), Mike Zeger has his blood pressure taken by a medical assistants student.

BAND CAMP

Summer band camp, many long hours of practice, and a lot of hard work have made the GAHS field band one of the best.

OUR BAND

We've got a band that's really neat;
That makes you stand upon your feet.

You'll scream and yell and cry for more,
When they get that big fat score.

So when you see their EYES WITH PRIDE,
It'll make your heart feel warm inside

So come on now and let them see
That they're the BEST that'll ever be.

HOMECOMING '84

SPIRIT WEEK

Spirit week is a tradition at Greencastle before Homecoming and this year was certainly no exception. The week started off with everyone dressing up, this even included the boys in "suits." Next was twin day when we all had someone who looked exactly like us. We then had class color day when everyone dressed in the color of his class, the seniors, of course, in red. The next one was everyone's favorite day of the entire week, clash day! We got all sorts of people dressed in all sorts of wild and crazy clothes. To end the week and to show that we really had a lot of school spirit, we all wore blue and gold from the tips of our heads to the soles of our feet.

Students participate in spirit week (upper right) by dressing for clash day and making banners for homecoming. At the bonfire on Wednesday night Couch Hough (above) introduces the 1984 football team and the players (right) burn the Wildcats in effigy.

LORI YEAGER CROWNED 1984 HOMECOMING QUEEN

Being crowned Greencastle Antrim's 1984 Homecoming Queen was one of the most memorable events of my senior year. Ever since I was a freshman, the Homecoming activities were always a fun and exciting part of the school year for me.

As I walked to the front of the auditorium after being nominated, I hardly expected that I would soon become one of the three senior princesses; and when that announcement was made the next morning, I felt honored to have been chosen to represent my senior class.

The next two weeks were full of excitement and anxiety. Finally, October 5 approached and the festivities were under way.

After the parade, waiting for the halftime ceremonies scheduled for the game with Halifax, I began to get anxious. The first half of the ballgame seemed to go on forever. Finally the queen was announced and as Mr. McConnel said my name, I was overjoyed with the honor given to me by the student body.

I would like to thank everyone who made the 1984 Homecoming a special event for me and especially to my close friends, my family, and Bruce.

Lori Yeager "85"

PYEA

ORGANIZATIONS

This year the Pennsylvania Youth Education Association got involved in many school and community activities. They participated in the annual Apple Festival in October, and tutored Elementary students and helped with school farm activities involving the elementary students. On December 20, PYEA held a party for the students involved in activities that don't normally get recognized. They also presented a dental care play for the elementary students. This play contained the PYEA members dressed in candy bars and pop corn.

I really enjoyed working in the bookstore my senior year. I got to meet many people who I never would have known existed. I especially will cherish the friendships that I have made with Luria Hafer, Carla Henson, Michelle Smith, Paula Plottner, and the other girls that worked in the bookstore.

Working in the bookstore wasn't always fun and games, although we had our times. We were responsible for ordering snacks and drinks, selling carnations, candy canes, and many other student council items, and handling the money. We even had to deal with a few small friends who decided to visit us.

Through it all, I'll never forget the good and the bad memories of working in the bookstore.

by Tracy Myers

We, the editorial staff, would like to welcome you to the first issue of the Voice for the 1984-85 school year. The Voice will be published at various times throughout the year and will contain stories covering a wide variety of topics.

The last time the Voice was published was in the Spring of '82. It started again and our interest was renewed. We feel that it is important to have a newspaper so that we can get involved in what's happening at school. We want to be successful, and we need your help and suggestions.

If you have any advice or suggestions, please feel free to incorporate them into the paper.

This paper is here to make it easier for you. We need your suggestions.

GREAT SEASON FOR GAHS GIRLS

Over the past three years, the Greencastle-Antrim girls cross country team has developed into one of the best in Pennsylvania, and after the 1984 season, no one will argue that point.

A team made up of all underclassmen concluded their second consecutive undefeated season with a 6-0 record, and over the past three years have won 19 consecutive meets, 25 out of 26 all together. Once again, for their second year, they won the BML regular championship. Also, they claimed the team championship at the Boonesboro Invitational and the BML Conference Meet, both of those for the third straight year.

In the PIAA District III Championship meet, the girls finished in the runner-up position, earning them another trip to the state championship meet. At the state meet, the girls put together their best effort of the season for a surprising fourth place finish.

As in the past years, the Blue Devils were lead by Tracy Bowers, who went undefeated in dual meets again, and also won All-Conference and All-District honors by winning the individual championships for those meets. It was her third straight conference title. She also gathered All-Conference and All-District honors by placing second in the meet at Lehigh University, just a fraction of a second out of first place.

Carol Ritz had an outstanding season, gaining All-Conference and All-District honors, and finished the season with a 28th place showing at the state meet. Lisa Ritz and Kim College also gathered All-Conference honors.

With everybody returning, and a good group of freshman and sophomores coming up through the ranks, things appear to be in line for another successful season in 1985.

DISTRICT III CHAMPIONS

From 1980 to 1983, the Greencastle-Antrim boys cross country teams did not lose a dual meet, always won the BML championship, and consistently finished high in both district and state competition. The dynasty continues, as 1984 was no exception. The boys ran their five year winning streak to 52 wins in row with a 7-0 dual meet record. They claimed the regular season BML championship for the fifth consecutive season. En route, the boys picked up team championships in the Boonesboro Invitational and the State College Invitational.

The highlight of the season was a convincing win at the PIAA District III Championship, defeating over 30 other schools to win their third district title in five years. Again, the Blue Devil boys proved they were one of the best in the state with a fourth place finish at the PIAA State Championship Meet at Lehigh University.

Senior Bruce Karinshak lead the GAHS harriers by gaining All-Conference honors, All-District honors, and capped a successful season by placing fourth in the state meet, earning All-State honors.

Pete Lazich, and Tom Baker also gained All-Conference and All-District honors, while Bill Derrick and Steve Kerr picked up All-Conference honors.

Despite losing Karinshak and Baker to graduation, it appears that the Blue Devils returning should be capable of continuing the dynasty.

SENIOR LEGACY

To all the underclassmen,
From the graduating class.
We give you all the hopes and dreams
That we've known in the past.

We wish you all the luck there is;
May you know much happiness.
May you put the right foot forward
As you climb the ladder of success.

We hope you realize your goals,
For goals are set to reach.
And teachers help you along the way;
They can do more than teach.

We leave you our school spirit;
May you always keep it alive
In dutiful remembrance
Of the Class of Eighty-Five.

THE 1984 CONOCOCHIEAGUE INTRODUCES

THE SPRING SUPPLEMENT

A yearbook supplement is something new at GAHS. The idea began in the fall of 1983 when seniors asked how to have their graduation covered in the yearbook. They found out the only way to do it was a spring supplement and the yearbook staff went to work, covering graduation and many other spring events that were never in the yearbook before. With the work now finished on this first issue, the staff proudly presents the 1984 Spring Supplement.

CHAMPIONS AGAIN

TRACK TEAM WINS 1984 BML TITLE

The 1984 Girls Track Team did it again this year, winning the BML Conference Meet Championship and going on to place Seventh at States. The team also placed Second at the McConnellsburg Invitational, Third at Dickinson, Third at Districts, and set ten new school records.

Tracy Bowers was State Champion in the 330 meter run and Gena Korrell placed Third in the 800 meter run. Tracy, Gena, Carol Ritz, and Ruth Rine also placed Fourth in the state 3200 meter relay.

Congratulations, girls, on a job well done!

The Girls Track Team has proved the extra effort to "be all you can be" is what makes a champion.

"BE ALL THAT YOU CAN BE"

In my first two years as coach I have been very fortunate to have such great athletes as you on my team. You have laid the foundation for a winning tradition that will last for a very long time.

However, we cannot live in the past and now is the time to look for ways to improve ourselves and our team. Success will only continue through hard work, dedication, a good attitude, and

team togetherness. I am proud of all of you. Let's stay together and enjoy the "thrill of victory" for a long time to come.

Good luck to our seniors - Gena, Holly, Kim, and Robin. I will miss you and so will the team.

The 1984 Varsity Baseball Team ended the year with the Blue Mountain League Championship. After having lost a game to Waynesboro earlier in the season, the Blue Devils rallied for the championship game against this same team and clinched the BML Title with a 3 to 12 victory.

It was a strong season for the Blue Devils with an overall record of 11 wins, 4 losses, and a league record of 8 wins and 2 losses. With many strong and experienced underclassmen and only three seniors on the 1984 team, Coaches Duncan and Thomas are looking forward to another great season in 1985.

JR VARSITY BASEBALL

The Junior Varsity Baseball Team ended a successful 1984 season with an overall record of 6 wins and 2 losses. The team efforts and accomplishments included a homerun hit by Jeff Briggs.

Front Row: Rich Smith, Steve Bonebrake, Jeff Knill, Carl Fortna, Tim Barbuzanes, Todd Hirneisen, Noel Myers, Ben Widder, Brian Overcash, David Barnhart. Row 2: Coach Guise, Duane Wible, Dale Moore, Jim Ball, Walt Cornett, Kevin Buchanan, Jeff Briggs, Mike McCormick, Mike Gearhart, Andy Grosh, and Coach Zoeller.

BRIGHT FUTURE FOR SOFTBALL

The 1984 Softball Team did remarkably well this year, after losing nine players to graduation at the end of the 1983 season. They won 3 of 6 league games and ended the season with a 5 and 5 record. Losing only three seniors this year gives the softball team a very promising future for the 1985 season.

Front Row: Kelli Shafer, Keri O'Mara, Mary Anne Rishel, Gail Eberly, Lori Strausne
Row 2: Lori Yohn, Candace Angle, Denise Starliper, Tammy Laughlin, Wendy Kin
Lisa Myers. Row 3: Coach Dracz, Leslie Buchanan, Lisa Chapman, and Miche

BOYS TRACK LOOKS AHEAD

This year a promising new group of underclassmen joined the Boys Track Team. With few seniors on the team and a notable improvement over last year, the team is looking forward to a bright new future. The record was 3 wins and 5 losses, with Carl Blair, Bruce Karinshak, Steve Kerr, Pete Lazich, and Dan Vanderau all qualifying and placing in the Shippensburg Invationals.

Coach Pat Ruda is looking ahead to a good season next year with the return of Carl Blair, Brian Mowen, and Phil Christophel. Their performance this year, in spite of their inexperience, shows much promise for the 1985 season.

DRAMA CLUB PRESENTS . . .

UP THE DOWN STAIRCASE

An inner-city high school classroom was the setting for the 1984 Drama Club Production of *Up the Down Staircase*, played before packed audiences on February 23, 24, 25. The play depicted New York City high school life in the mid 1960's, as a very caring teacher tried to help her hard-hearted students. Throughout the play, humor and heartbreak held the audience captive.

Mr. Wertner and his troupe of talented GAHS players are to be commended for a well performed production, enjoyed by all.

Personalities emerged as the principal, played by Dan Knight (left), and the teacher, played by Ruth Rine (above), discipline students.

"THE SHOW MUST GO ON"

What do you do when a star drops out of the play two weeks before the show? Call Mike Hessong, our hero. Mike saved the show by taking a lead part two weeks before opening night, and did a smashing good job, too!

1984 DRAMA CLUB (In Alphabetical Order): Vicki Angle, Tammy Baer, Kim Barvinchak, Ian Carmack, Elisa Garling, Kerry Golden, Myna Haines, Mike Hessong, Terra Hoch, Julie Hollar, Steve Keller, Missy Kerr, Rick Kline, Dan Knight, Tammy Laughlin, Brian Marshall, Brian Musselman, Tracey Myers, Dana Nagle, Tammy Norris, Ruth Rine, Tammy Sanchez, Annette Sherrill, Annette Socks, Rita Sterner, Craig Vanderau, Debbie Wagaman, and Wendy Weeks.

STUDENTS PERFORM

After hearing rumors of break-dancing in the air, GAHS students came very enthusiastically to this year's talent show on April 26. Preston Williams, Master of Ceremony, welcomed each new performer, and the Jazz Band played between each act. The variety of acts included singing, dancing, and even a rock band. All of the acts were really super, and when the show ended, the judges were forced to make a very tough decision.

TALENT SHOW WINNERS

Missy Moats and Tom Baker won first place and \$25 for their love song. Jim Barkdoll accompanied his song on the guitar and won second place. Julie Carbaugh won third place singing "Hello," a hit song by Lionel Richie.

SPIRIT OF ROME AT GAHS

Latin I and II students got a taste of Ancient Rome when they gathered together on the evening of April 27 for feast and frolic. During the evening, a fish was sacrificed as the sun went down and two students were married according to the customs of the Roman wedding. The evening ended with a feast at which guests dined in the style of the Romans, lying on their stomachs! After all . . . "When In Rome, Do As The Romans."

PROJECTS KEEP STUDENTS BUSY

Getting ready for the Science and Industrial Arts Fair is one of the busiest and time consuming parts of the school year. Some people like to start early on their projects so that they will have time to put it together and make sure everything is in its proper place. Others seem to wait until the night before, then panic and throw everything together.

Regardless of the time that is spent on a project, there is always a last minute rush to get things ready the week of the fair. Many students stay after school, trying to get finished on time and make their projects look their best.

The day before the fair, the school is humming with excitement as students get out of their classes to set up their projects in the gymnasium and prepare them for judging.

Heidi Hess (above) works on her Grand Prize winning project, "The Effects of Detergent on Surface Tension," and a masked student (left) works on an Industrial Arts project.

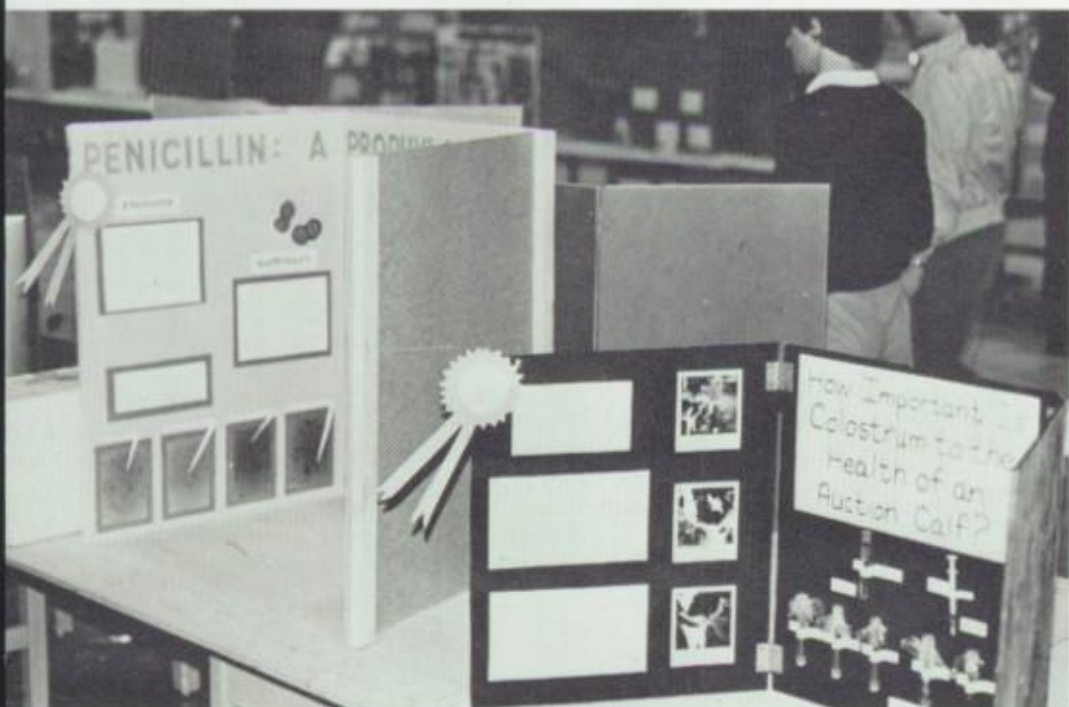

Students (above and left) work on Industrial Arts and Science projects in preparation for the May fair.

SCIENCE & INDUSTRIAL ARTS FAIR

Setting up for the fair is an exciting time as students get out of class and prepare projects for judging.

The Science and Industrial Arts Fair gives students the opportunity to display their projects and provides something of interest to visitors of all ages.

The Science and Industrial Arts Fair is a time of excitement at GAHS. Students are eager to see all the projects and find out which have won prizes.

This year, the fair was held on May 4 and 5. Projects reflected scientific and everyday interests. Prizes and honorable mentions were awarded to each grade level and a grand prize was selected from 150 projects. Students are to be commended for their fine work and effort, in making this another successful year for the fair.

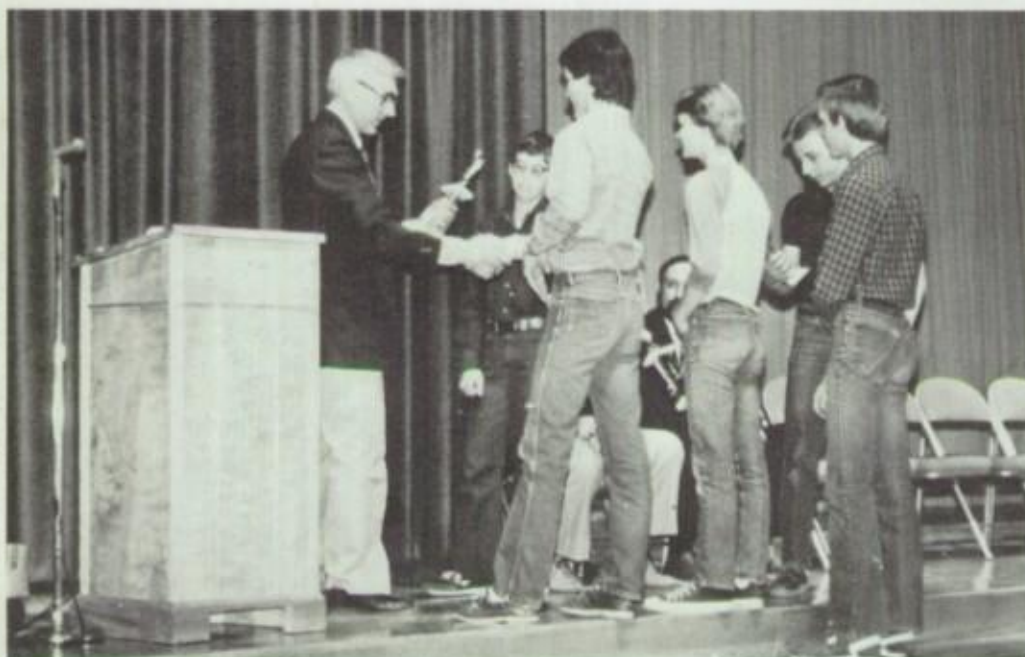

AWARDS PRESENTED

Yearbook Dedicated To Mr. Jack Appleby

In addition to the annual awards assembly, a special assembly was held on May 9 to announce the arrival of the yearbook and recognize staff members for their hard work in making the 1984 Conocheague a success. Following the presentation of certificates and awards, Heidi Hess called Mr. Appleby to the stage and presented him with the dedication copy of the yearbook before a standing ovation from the student body.

Ms. Smith (above) recognizes members of the yearbook staff and Heidi Hess (left) presents the dedication copy of the 1984 Conocheague to Mr. Appleby.

Students Recognized With Awards And Scholarships

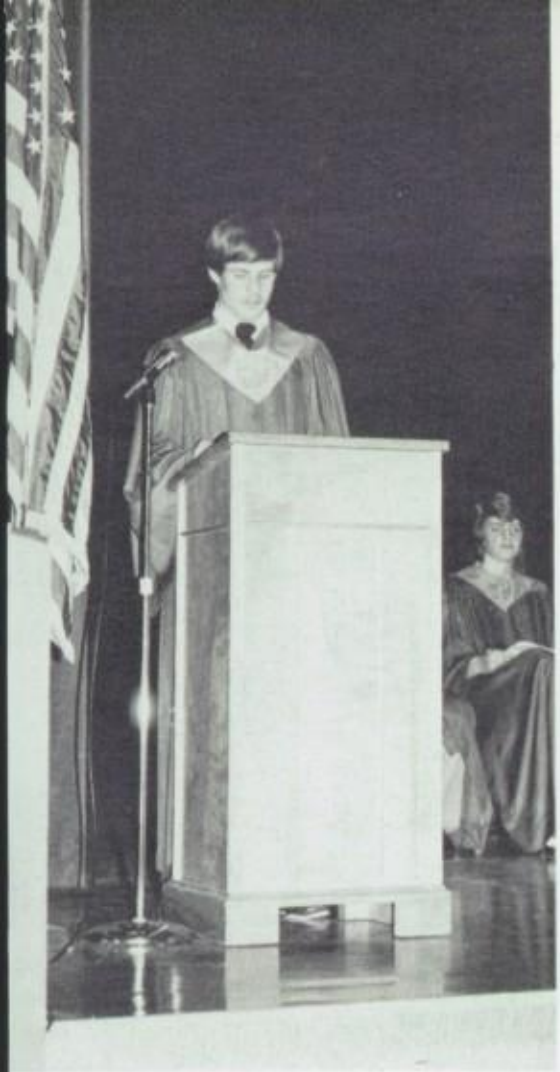

Outstanding GAHS students were recognized by the community and the school at the annual awards assembly on May 17. Many seniors received scholarships to continue their education. Other students were recognized and awarded with certificates, medals, and plaques.

All of these students are to be commended and congratulated for their achievements.

Outstanding students (above and below) are recognized by community leaders and awarded scholarships.

Congratulations

The National Honor Society ranks as one of the oldest and most prestigious organizations for high school students in the nation. Each year a faculty committee selects members on the basis of their accomplishments and contributions in the areas of scholarship, service, leadership, and character.

This year, twenty-seven GAHS students were selected for membership in the Greencastle-Antrim Chapter of the National Honor Society. The new members were tapped and inducted by the senior members of the Chapter in an April ceremony. Following the induction, the members of the Honor Society were joined by their parents and congratulated at a tea in their honor.

THE TENNESSEE TOUR

The GAHS band and choir left Greencastle in April to participate in an International Music Festival in Nashville. They left on Wednesday, April 5, and arrived in Kingsport, Tennessee, Thursday morning. They gave two concerts that day and stayed overnight with families in Kingsport.

Friday morning they boarded the buses and arrived in Nashville early that afternoon with time to tour the Country Music Hall of Fame and Studio B. Early Saturday morning they joined other bands and choirs from across

the country and performed before the judges, then spent the afternoon at the Grand Old Opry enjoying country music performers.

At an outdoor program Saturday night, medals were awarded and all the students participating in the Music Festival had the opportunity to meet each other, socialize, and dance. On Sunday morning they boarded the buses, said goodbye to Nashville, and arrived back in Greencastle late that night.

Students board the buses (above) to leave Greencastle on April 5.

Students in Kingsport (above) sing for the choir, and an old jute box at the Hall of Fame (left) catches the interest of GAHS visitors.

Students unload the band bus (left) before they perform in Nashville, and buy souvenirs (above) at Opryland.

Mr. Forney (above) accepts Medals of Merit for band and jazz band, and Mr. B. (right) celebrates receiving the Bronze Medal for Choralaires.

CHORAL CONCERT WELCOMES SPRING

Every year a special choral performance welcomes spring at GAHS. Choir members put their robes in the closet and dress for a concert in suits and gowns. Each senior girl carries a rose and everyone is at their best, making the Spring Concert one of the most beautiful sights and sounds of the school year.

ARMY BAND FEATURES GA GRADUATE

Trecia Karinshak (above) returns to Greencastle with the Army Field Band.

Mr. Forney accepts the baton (right) to direct the Army Band, and workshops (below) are held throughout the school.

This spring the students at GAHS were treated to a performance by the Army Field Band. During the concert a very special clarinet solo was performed by Trecia Karinshak, a graduate of GAHS, now with the Army Band. Following the concert, members of the Army band held workshops in various parts of the school for GAHS band members. Students found their advice helpful, and the concert was enjoyed by all.

"Tonight . . . I Celebrate My Love"

JUNIOR-SENIOR PROM

The 1984 prom was truly an evening of elegance and romance for all GAHS seniors and juniors, and their dates. The theme, "Tonight, I Celebrate My Love," set the mood on the lovely Saturday evening of April 28, at the Venice Inn, in Hagerstown.

It was an evening enjoyed by all and one that will be remembered for a very long time.

The atmosphere of the prom gives everyone a chance to enjoy a special evening with friends and dates.

CATHY SKEEL IS PROM QUEEN

While many are dancing the night away, Todd Appleby (lower left) takes a moment to relax.

PROM NIGHT

The prom is the one night of the year that everyone looks forward to. In many cases it's the only time you'll see people dressed up.

The morning of the prom is when the anxiety and anticipation really build up. You look forward to pampering yourself with bubble baths, the hair dresser, maybe a manicure, and last but not least, your gown. A touch of your favorite fragrance and you're all set.

The door bell rings! Your special someone brings you flowers and of course, they match perfectly. Then all those pictures . . . your parents and his parents, friends, and neighbors. After all the hassle, you leave for the prom.

When you get there the butterflies turn to bats. The sign on the door greets you with best wishes and you find your table. After dinner the dance begins, the atmosphere relaxes, things come alive, and the evening seems to go so fast. When the band plays your favorite song, you can really feel the theme of the evening . . . Tonight, I Celebrate My Love.

SAYING GOODBYE

Senioritis reaches its peak in the last few weeks of school. It progresses into its final stages as Seniors begin to clean out their lockers and get rid of old notebooks and worksheets.

On May 18 the situation becomes hopeless. It's the last day for seniors. They dress up as if it's Halloween, they decorate their cars, they parade through town, they drive around the school, and they remind the underclassmen and teachers it's the last day for seniors by chanting and singing in the halls between classes. It's a happy time and a sad time, for the last day of school also means saying goodbye to friends and teachers they have come to know throughout the years.

Seniors clean out lockers and sign yearbooks.

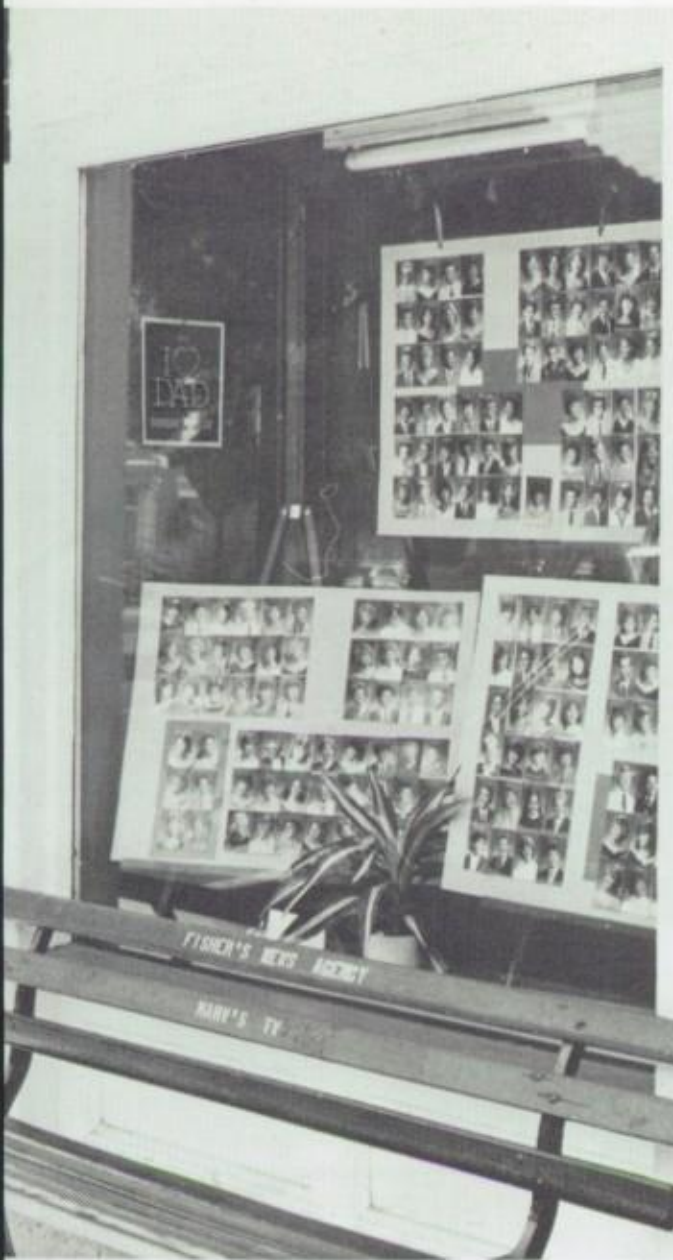

New York is an experience many seniors will never forget.

The last day for seniors is an experience no one will forget.

THE BIG DAY FINALLY ARRIVES

1984 GRADUATION HELD INDOORS

All year long, seniors were looking forward to being the first class to have commencement exercises outdoors. When May 30 finally arrived it was cold outside, the weather forecasts called for showers, and graduation was moved indoors to the auditorium.

While some may have been disappointed, the indoor ceremony didn't dampen the spirits of those who were about to graduate. The big day was here and it didn't really matter where they were as long as they got their diplomas. After all . . . that's what graduation is all about!

GRADUATION . . .

The Class of 1984 graduated from Greencastle-Antrim High School during commencement exercises held on Wednesday evening, May 30.

During the program, John R. Walker, Franklin County District Attorney, asked the graduates to stand and applaud their parents and teachers in appreciation for their help and guidance in the years past. In looking at the years ahead, Mr. Walker advised seniors to continue learning and growing in whatever paths they choose to follow.

Mr. McConnell presented the Class of 1984 to those in attendance and called the seniors forward to receive their diplomas from Mr. Fred Myers, School Board President.

The commencement exercises came to a close as the band played "Pomp and Circumstance" and the graduates left the auditorium to be joined by their families and friends.

Dr. McCall, District Superintendent, welcomes commencement speaker, John Walker (above) and John Kay (left) addresses his classmates on new beginnings. Seniors (below) give their last performance under the direction of Mr. Besecker.

The challenge of a new beginning puts a serious look on the faces of the seniors (above) as they listen to the commencement speakers, and they stand (below) as Mr. McConnell presents the Class of 1984 to those in attendance.

The seniors are called forward to receive their diplomas from the School Board President, Mr. Fred Myers.

Bev,
 To a really nice girl, never forget all those boring home ec classes. Have fun over the summer + good luck with the guys.
 Friends, Venus (chip)

Bev,
 To a really nice person! Remember all fun times in Math! and all the laughing you did in that class.

Love always,
 Brian

Bev,
 To a nice girl, I've know you a while. Remember our quiet homeroom. Have a Great Summer! See you next year, when we're "Seniors." Good luck in all you do.

Always,
 Amy

Love

Bev, We got
well through Physical
Science. I think everything
else should go pretty well.
We just have one more year to
go. Have a good summer and
good luck next year. 4/4 Jenny

Bev,
To a nice girl I've
known for awhile. Remem-
ber all the good times in
Home Ec. class. Have a great
summer. See ya next year
as a Big Senior!

Bev,
To a really sweet girl
I've known since 7th
grade. Good Luck with
everything you do. Have
a nice summer. Good LUCK
with your new JOB. I'll
try to call ~~at~~ you over
the summer, but you better
call me OK. Stay as nice
as you are.

P.S. Maybe I could
come out to your
~~house~~ house sometime.

Bev (Elvira),
To a nice
girl I met.
Best Wishes &
good luck (I
need it) in
the future.
